

HARIMAU MEDIUM TANK

HARIMAU MEDIUM TANK | CALIBRE 105 MM

Harimau Medium Tank is the latest special vehicle innovation of PT Pindad, supported by Indonesian Ministry of Defence to fulfill the requirements of Indonesian Armed Forces of a new, mobile, and versatile tank with excellent firepower.

Harimau is equipped with 105 mm cannon as the main gun and supported by 7.62 mm light machine gun for maximum firepower and specifically design to operate in tropical environment such as jungle operations due to its lighter weight which gives Harimau the advantage of high mobility.
